Press Release - Immediate

LEADER'S DEBATE

The Prince Edward Island Federation of Labour is pleased to announce that all five party leaders have agreed to take part in a leader's debate on issues important to working families on P.E.I.

The debate will take place from 7:00 p.m. to 9:00 p.m. at the Murphy Centre, 200 Richmond Street, Charlottetown on Monday, September 19.

"We are pleased that all party leaders will take part in this critical debate" states Carl Pursey, President of the P.E.I. Federation of Labour. All working Islanders are invited to attend and hear what each party's position is on the important issues facing working Islanders. "We know that people remain concerned about issues such as livable income, social programs, labour standards, environment and jobs and services of the provincial government," states Pursey.

Pursey urges all working Islanders to attend and hear the debate in order to be fully informed on election day October 3. This Leaders Debate has traditionally been hosted by the PEI Federation of Labour in past provincial elections and we are pleased this tradition and opportunity continues.
