

## **NATIONAL POLITICAL ACTION REPORT**

Our Committee met at the CUPE office in Ottawa in late November 2010.

This was a good meeting in which we focused on what our Mandate was, and how we would continue to go forward. Our next meeting when held in Ottawa, Ontario will be in Downtown Ottawa as we are closer to Parliament. We would then meet at the CUPE office for meetings, but will stay Downtown.

Our Mandate was reviewed and we concluded we will continue to support the National New Democratic Party as they are the only Political Party that supports Labour. Members of this Committee need to be affiliated to the New Democratic Party.

A Federal Election could happen this Spring. We will support New Democratic Candidates across the Country. Many members of our Committee will be involved in our Provincial NDP Ridings and help out with Federal Elections.

Our next meeting for this Committee will be in early June in Vancouver, British Columbia. We will meet prior to, and during the National New Democratic Convention. I am looking forward to this opportunity to be involved in the NDP Convention as a CUPE member on the National Political Action Committee.

Respectively submitted,

Marlene Hunt  
CUPE National Political Action PEI Representative
