Dear Brother Murray:

I am writing to you today regarding the Finance Ministers meeting held at Crowbush Golf and Beach Resort on June 13-14. It was a delight to work in close collaboration with you and the members of CUPE PEI Division.

The Canadian Labour Congress (CLC) can always count on the support of CUPE and it is no different in PEI. Members of CUPE PEI greeted Jim Flaherty at the airport, held a BBQ at the CLC cottage, and one of your members even represented the voice of the PEI Federation of Labour via radio ads. We also must acknowledge all the resources that CUPE PEI placed into this important event such as newspaper advertisement and much more.

This campaign event would not have obtained the positive outcome it did without the participation and leadership of your Union. Although we may have made some gains with our campaign, the fight is only beginning. Again, thank you for all of your support.

Until the next battle, take care Brother!

In solidarity always,

Sébastien Bezeau
